# Game Board Spaces & Dice Faces

Print several copies of these squares on different paper colors. Cut out the squares and glue them to your game board and the faces of your dice.

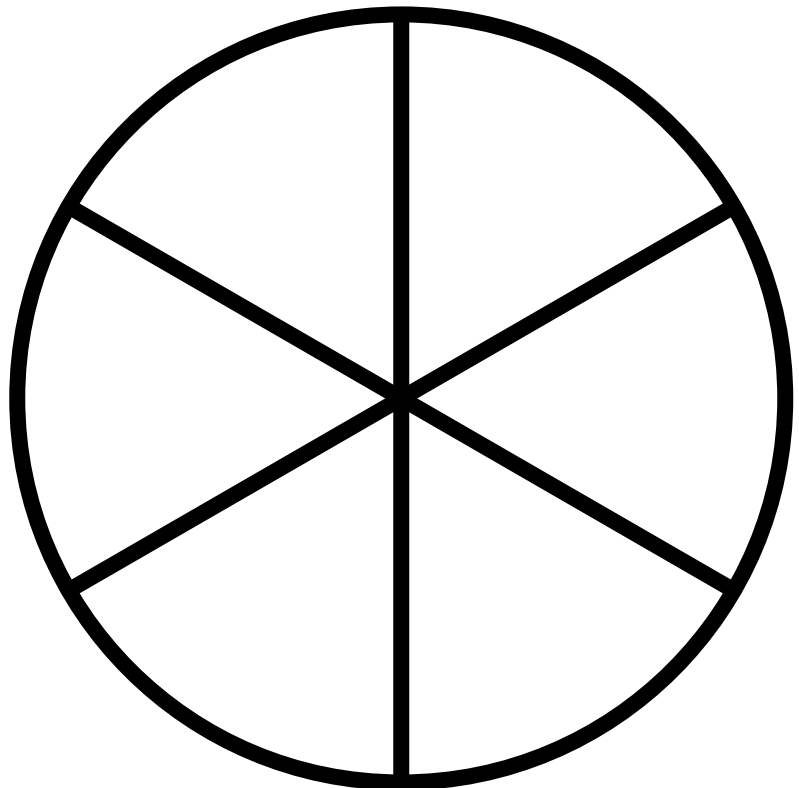

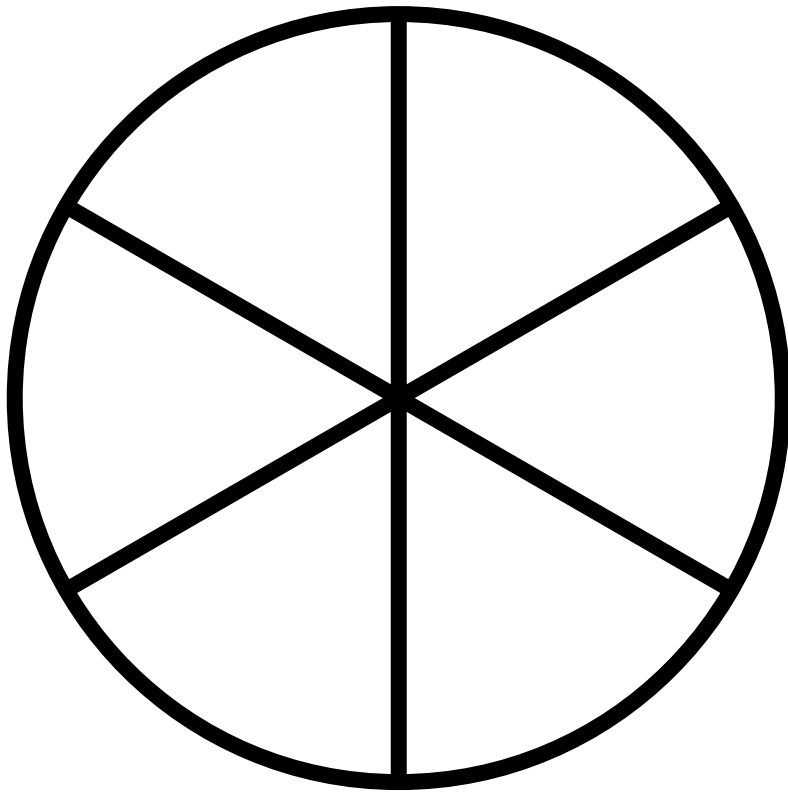

# Dice

Cut out these templates and fold along the lines. Glue the tabs in place to form a cube.

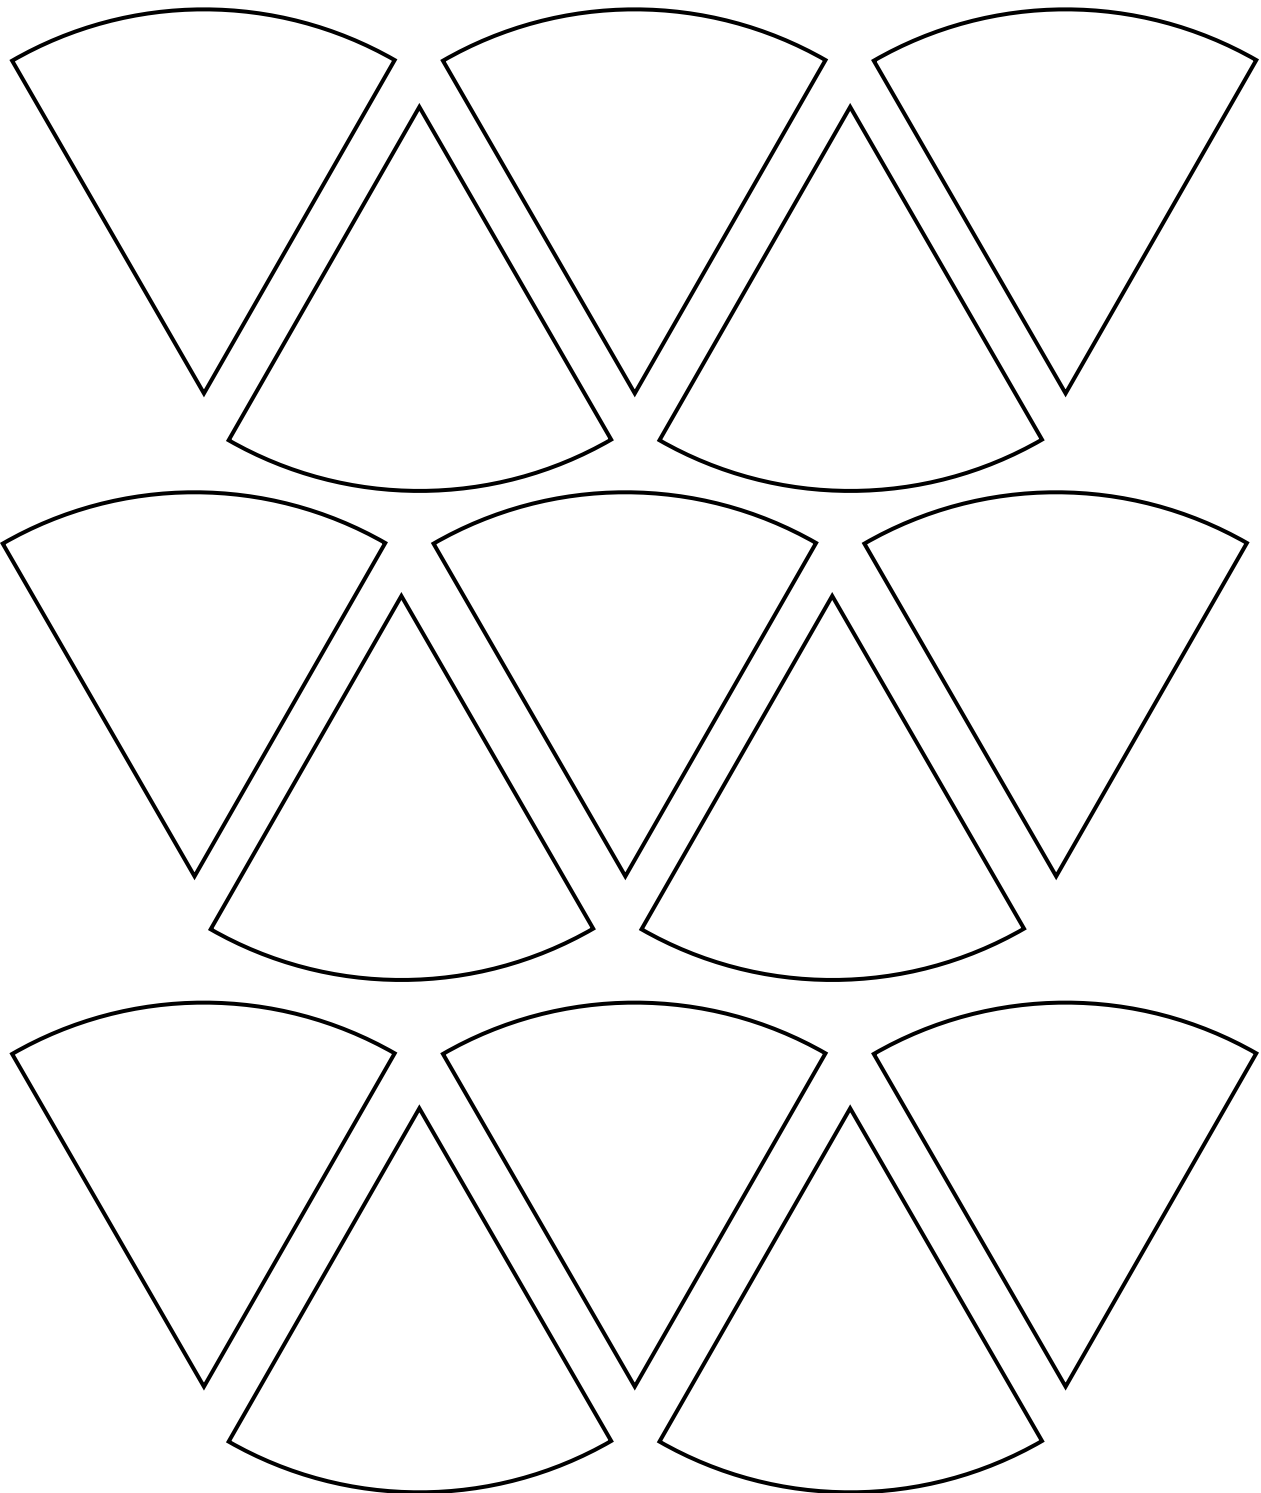

# Spinners

Use a pencil, a paper clip, and a circle below to create a spinner.

# Spinner Spaces

Print several copies of this page on different paper colors. Cut out the pieces and glue to your spinner.

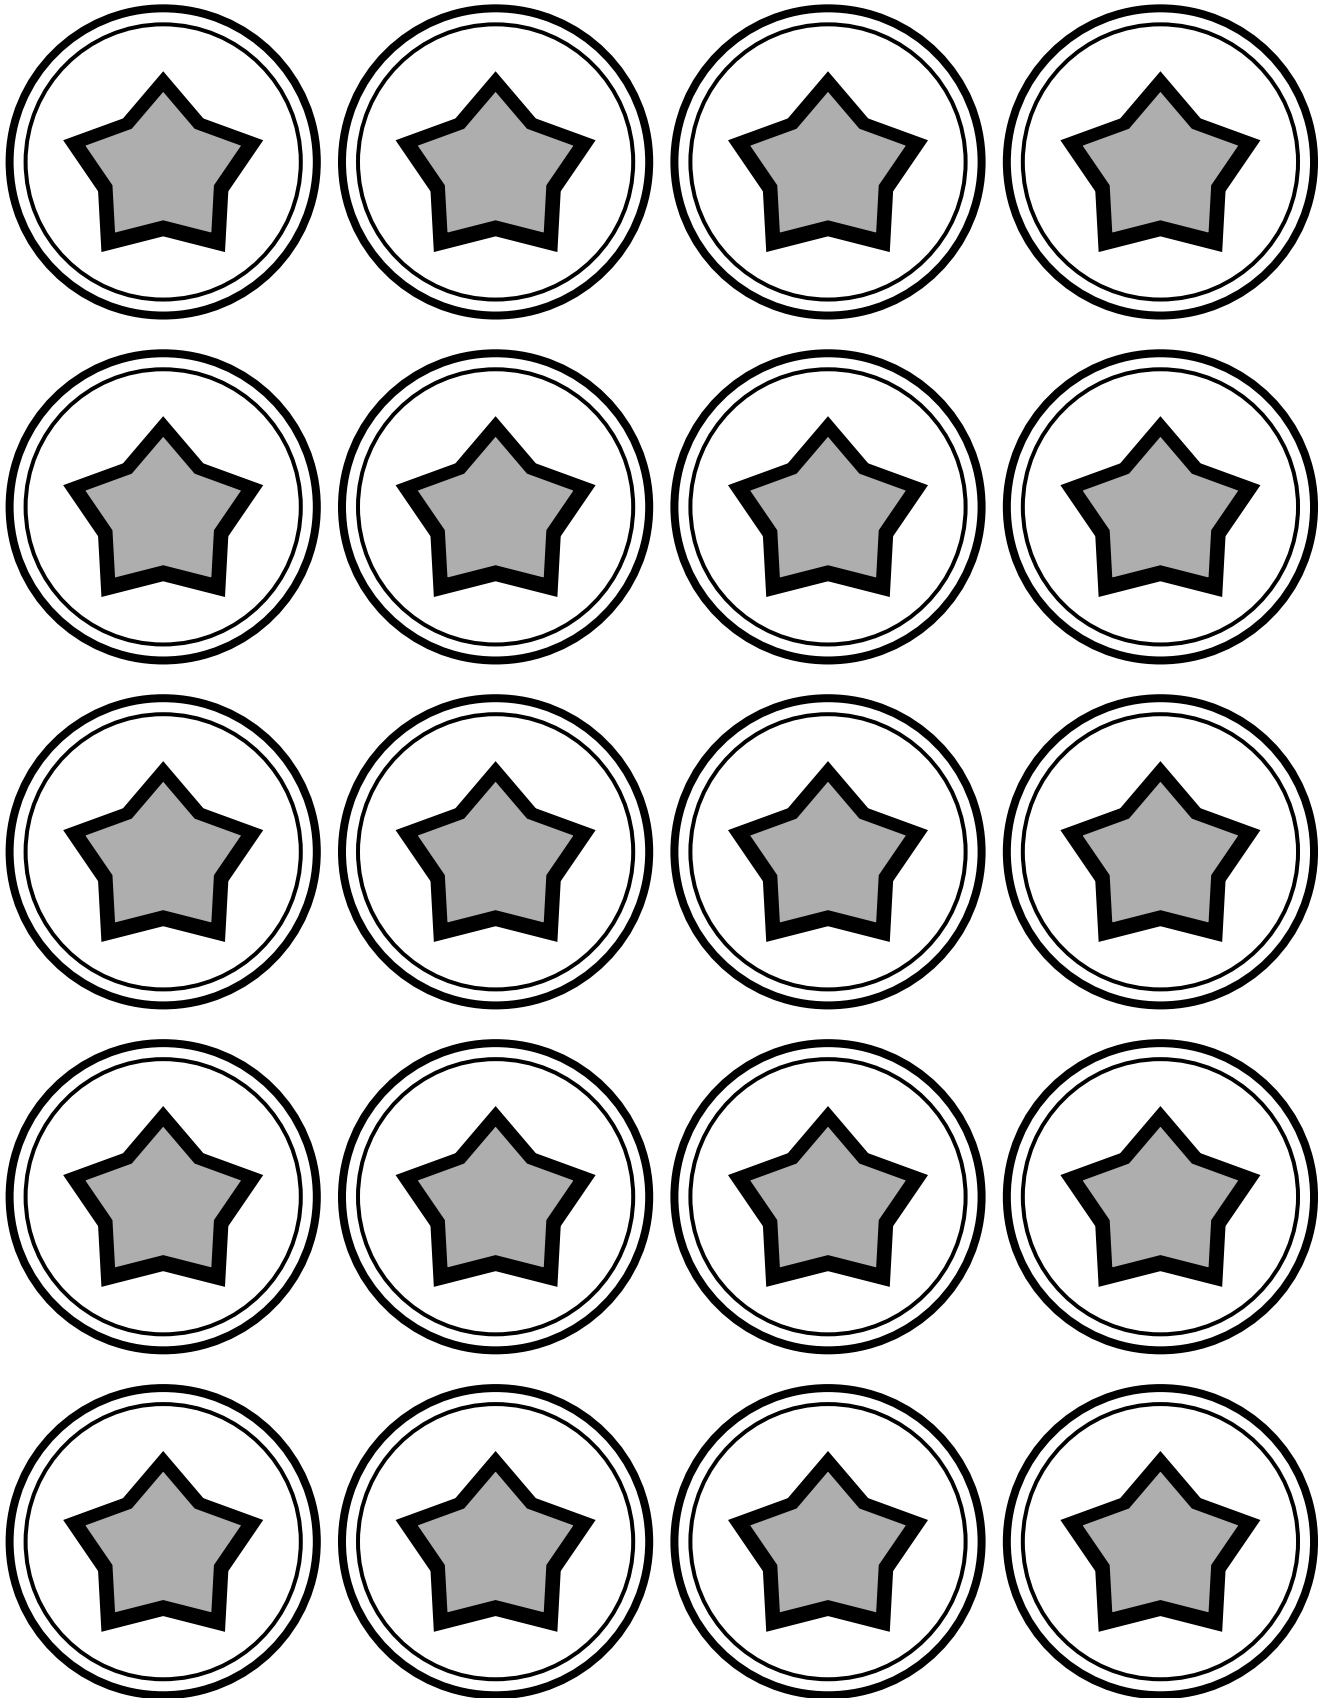

# Question Cards

Cut out the cards and write your own questions on the back.

# Tokens

# Game Pieces

Cut out the shapes and slide two together to form a game piece. (Be sure to print on different color paper or decorate them to tell them apart!)
