

1. Cut out all the pieces.
2. Start with the larger heart pieces. Glue along the edges, avoiding the center and straight edge.
3. Place the two left sides together and then the two right sides together to make pockets.
4. Glue the X piece on top of the left side and the O piece on top of the right side.
5. Write your message on the rectangular slip and fold it accordion style on the dashed lines.
6. Glue the left end of the folded slip inside the left heart pocket.
7. Glue the right end of the folded slip inside the right heart pocket.
8. To close the heart, collapse the folded slip and tuck it inside the left heart pocket.
